MESSAGE FROM THE VICE-CHANCELLOR

The foremost challenge confronting higher education in Manipur involve both issues of quality as well as quantity. The avenues to pursue post -graduate and higher levels of learning in the State is relatively limited.

It therefore gives me and my associates immense satisfaction that the Dhanamanjuri University despite extrinsic dislocations in the academic atmosphere has successfully commenced its first Academic Session, 2018-19 with enrolment of thousands of Under Graduate students in its four constituent colleges, viz., DM College of Science, DM College of Arts, DM College of Commerce and GP Women's College.

The next phase is under due process and soon we are looking forward to welcome the first batch of our Post Graduate students in the four aforementioned colleges. Concurrently, the LMS Law College will also be inducting its first batches of Under Graduate and Post Graduate students. With these initiations, the Dhanamanjuri University would gradually but consistently be acquiring and accumulating the basic characteristics of a University.

Quality in education is the core concern of all the genuine stakeholders in our society. The Dhanamanjuri University would therefore be deeply focussed towards this core issue and would accordingly mould its policies and programmes to address this central objective.

With these hopes and aspirations, I extend my warm welcome to the very first batches of both the Under Graduate and Post Graduate students of our University. May I also take this opportunity to express my profound respect and gratitude to the entire teaching community of these five constituent colleges who have with utmost ardour accepted the onus of teaching both the Under Graduate and Post Graduate courses understanding the underlying constraints at the fledgling stage of this State University.

About Dhanamanjuri University

Dhanamanjuri University (DM University) has come into existence during the current year under “ The Dhanamanjuri University Act, 2017 ” which came into force on the 6th of April, 2018 through a notification in Manipur Gazette published by the Department of Higher and Technical Education, Government of Manipur. “The Dhanamanjuri University Bill, 2017” was passed on the floor of Manipur Legislative Assembly on 3 rd August, 2017. The University was established under the National Scheme of Rashtriya Uchchatar Shiksha Abhiyan (RUSA).

Dhanamanjuri University is a long cherished dream of our founding fathers and Maharani Dhanamanjuri, the mother spirit in the birth of this seat of learning, translated into action. Manipur, an ancient Kingdom, had a composite traditional system of education in the field of warfare, martial arts, games and sports, culture and many other schools of thought training the people in various professional activities in ancient forms. The people have carried down this legacy of quest for knowledge and civilized existence since time immemorial. Ancient works of knowledge in the original scripts of Manipur stand as testimony to the nurturing of the idea of a University in the minds of our forefathers and foremothers. The state has celebrated the tradition of a purely intellectual pursuit which conserves the original ethos of the land and its people while receptive with an open mind to change in course of time.

The University was established under the National Scheme of Rashtriya Uchchatar Shiksha Abhiyan (RUSA) as fulfilment of one of its primary components i.e., to convert colleges to cluster Universities. Maharani Dhanamanjuri gifted us Dhanamanjuri College and in recognition of her contribution to the development of Higher Education, the university is named after Maharani Dhanamanjuri. The University is built up of the three Dhanamanjuri Colleges namely DM College of Science, DM College of Arts, DM College of Commerce along with G.P. Women's College and LMS Law College, all of which occupy common, adjoining or neighbouring physical spaces.

DM University at present is functioning from DM College campus situated in the heart of Imphal city and the campus is bounded by National Highway No.2 in the East, Thangmeiband road in the West and North, and the Naga River in the South. Ghanapriya Women's College is located at the South West of Kangla, the Old palace of Manipur near the Raj Bhavan and LMS Law College is located just in-front of the DM Campus crossing the National Highway No.2
