The University fraternity including teaching and non-teaching staff is trying to maintain the normal Academic Calendar with tireless effort. The result of the 6th semester examination(UG) was declared recently. The long pending 1st and 3rd semester examinations(PG) have also been conducted successfully and the new admission for PG courses for the Academic session 2024-25 is under process.

The University has issued time table for the long pending 2nd and 4th semester examinations(UG), which is commencing from 23rd September, 2024.

I, on behalf of the University Community appeal to all concerned to kindly cooperate in maintaining the normal Academic Calendar.
